Online Courses

- IMPACT Academy Namibia is an **online Academy for Namibians**, we do not offer classroom or face-to-face training.
- IMPACT Academy offers various skills courses online; **our courses are MUCH more advanced and affordable than any other classroom skills training institution in Namibia.**
- Our courses are affordable in order to empower every Namibian to obtain certified skills training!

Our courses are:

1. self-paced and
2. you can do our courses from anywhere
3. at any time
4. in your own free time and
5. at your own pace – there is no time-limits.

You can:

1. stop at any time during the course and
2. continue where you left off with the course, whenever you choose to resume.

IMPACT issues SKILLS Certificates and Diplomas recognizing students' skills competence after the successful completion of short online courses and pass an in-course quiz assessment of their skills.

We will thereafter:

1. **issue you with a certificate/diploma.**
2. **the certificate/diploma is in high-quality digital Photoshop PDF format**
3. **print-ready in A4 which you can print in high definition**
4. **or save to your documents**
5. **each certificate has a authenticity number and QR code**
6. **Certificate is sent to your email and WhatsApp number**
7. **If you choose, we can also print and laminate and courier the certificate at additional costs to you.**

INFORMATION LEAFLET

IMPACT Academy's website: <https://impactnamibia.eu5.org>

1. People with internet access, can visit the IMPACT website to decide which course they want to follow and they can view the courses online or download the latest course catalog at <https://impactnamibia.eu5.org/downloads/catalogdownload.pdf>
2. If they are interested in a course, they click on the links “**Get Quote**” or “**Contact Us**” tabs on the website, **fill out the form and submit it** OR they can simply send a mail to impactnamibia@outlook.com or WhatsApp 081 488 0311.
3. IMPACT receives the form by email and then sends a quote with IMPACT’s payment options.
4. If the learner pays, IMPACT sends the link to the course, to the learner.
5. The learner simply clicks on the link and will then be taken to the course.
6. If the learner passes the course assessment, IMPACT will get another email and then IMPACT will send the learner's digital PDF certificate by Email and WhatsApp to him/her.
7. Courses can be:
 - Done online with a PC or laptop or tablet.
 - Offline *on special request* (the learner can download the course, if approved)
 - Our courses can be presented in a classroom by employers or their in-house trainers, with one computer that projects the course onto a screen or the course can be deployed to multiple computers in a classroom setting.
 - Our courses are audio-visual and an A.I. instructor presents most of the courses.

There is **no time-restrictions** to complete our courses.

Learners can do the course in their **own time and own pace**.

Our courses can be **done from anywhere**, provided there is wi-fi access.

Typical duration of a course is a total of 4 hours if a learner wants to complete the course uninterrupted. Skills diploma courses’ duration is typically 12 – 48 hours in total.

Receiving Courses

INFORMATION LEAFLET

After learners have registered **and paid** for the course, IMPACT will send the link to the course to the learner via email.

The learner will then be able to do the course online on a PC, laptop or tablet and **will have access to the online course for a duration of 3 (three) months**.

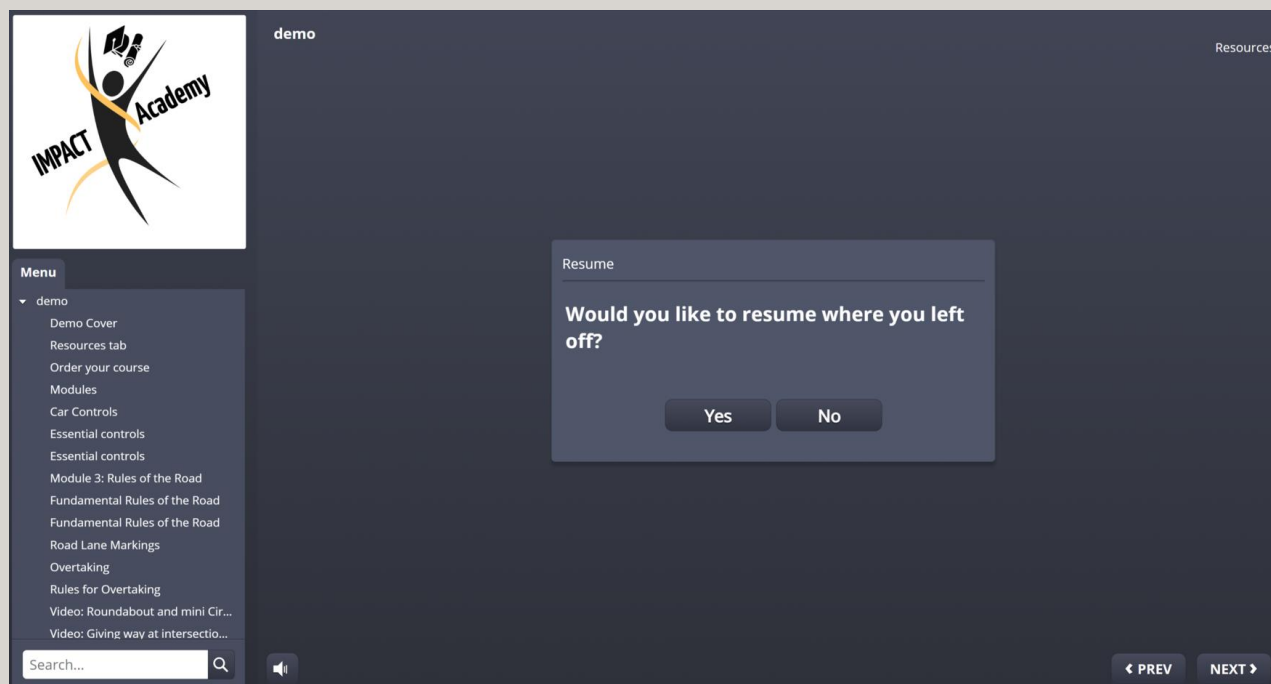

Courses online, functions in your internet browser with our course player.

The learner **can stop at any time** during the course.

When they decide to resume the course, they will **have the option to continue from where they left off!**

The course software function in its own player format inside your internet browser on your PC, Laptop or Tablet or Smartphone. It works with any internet browser.
